

# Westgate Ark

— NEUTERING CLINIC —

Our Homing Centre for rescued cats is open for homing 7 days per week.

We admit domestic cats that have lost their homes or been given up by previous owners. Many of the cats here were strays or abandoned.

At the Ark we have a good team of hard working volunteers that care for the needs of these cats until we can find them good permanent homes. Many need veterinary treatment and neutering, all need love & care!

We are an independent social enterprise & receive no public funding. To help us with our rescue, homing & neutering work, please complete and submit the form on the reverse side. Any help, however small, is gratefully appreciated!
